This weeks 'Active 5'...

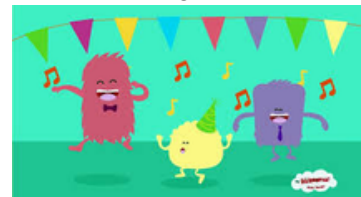

Freeze Dance

Can you try this activity at home for 5 minutes..

Freeze dance is always a favourite! Have your children dance while you play music. As soon as you stop the music, your children must freeze in place until the music starts again. If you want to add a bit more movement to the game, have whoever moves when they're supposed to be frozen touch their toes five times before the music starts again.

Please send in photos to your class teacher to be awarded dojos.
