This week at School

Dear parents and carers,

This week we welcomed our CEO Mr Knox and Headteachers from across our 9 trust schools. They enjoyed their visit and commented on how well children had settled into their new classes and the wonderful relationships they have with staff and each other. Everyone has displayed really positive attitudes since our return to school. The children look extremely smart and wear their Grove Lea uniforms with pride and it has certainly been a very positive start back to the school year.

One of the highlights of our return was being able to share with you our most recent Ofsted report and announce our continued judgement of 'Outstanding' in all areas. We are extremely proud of the outcome and it would not be possible without the hard work from the children and staff and the continued support from parents/carers. Thank you to all!
