This week at School

Dear parents and carers,
This week our CEO Mr Knox completed a review of outcomes for children and observed mathematics across school. It was a wonderful opportunity for us to showcase the learning from Nursery to Year 6. The children were praised for their manners and how focused they are in their learning. Well done everyone!

Our Year 1, Reception and Nursery children enjoyed their weekly forest school session with Charlotte, looking at mushrooms in their nature study and making fairy gardens together. Our forest school sessions will run throughout the year and all year groups will get the opportunity to participate and you will get notification for this via the dojo app.

Year 6 have had a fantastic class workshop making alarm systems with circuits. Thank you to everyone who joined us.

We hope you have a lovely weekend and look forward to seeing you all next week!

This weeks 'Active 5'...

Can you try this activity at home for 5 minutes...

"Find it Fast" Hunt:

Call out an object or a color, and have the children find it around the room as quickly as possible.

Please send in photos to your class teacher to be awarded dojos.

Home Achievements

If it is to be, it is up to me

If your child has any achievements that you would like to share with us to celebrate, please send us a Dojo to let us know. You may send a photo too.

Freddie was player of the week! We couldn't be any prouder 😊

Lucas did some fundraising for his team over the summer and dedicated every day to doing 1000 kick ups. He's raised nearly £800 for his team. Well done Lucas. We are so proud.
